

SPRING OF LIFE CHRISTIAN CHURCH

Mesa, Arizona

"We had our Grand Opening of our new worship center yesterday, and it went even better than we had hoped or imagined. We had 2,720 people in attendance, many of them new to our church. The building looks beautiful, the sound and video are excellent, and the parking lots were full." Senior Pastor Kevin Carlson featured in "Church Development Fund, Inc." publication.

CLIENT:
Spring of Life Church

DESCRIPTION:
A master plan for a new campus determined through site feasibility studies and programming. The master plan includes a 3,000-person, 53,430 sq. ft. worship center. Phase I includes a 24,730 sq. ft. multipurpose building with education and administration space and interim sanctuary. Phase II includes a 30,000 sq. ft. worship/multipurpose building and 21,700 sq. ft. children's ministry expansion.
